

# The Caring for Carcinoid Foundation & Cedars-Sinai

*Invite you to attend the second annual...*

## Neuroendocrine Tumor Patient Education Seminar

<b>Date:</b>	Saturday, March 27, 2010
<b>Time:</b>	Registration: 12:30pm; Seminar: 1:00 pm – 5:15 pm
<b>Location:</b>	Thalians Auditorium, Cedars-Sinai, 8730 Alden Drive, Los Angeles <i>Handicap Access is available. Parking will be validated for designated lots.</i>
<b>Cost:</b>	Free.

Come join your fellow neuroendocrine tumor patients for an exciting day of discovery. Learn about the latest in treatment options, the role of surgical intervention and radioembolization as well as participate in two patient-oriented, interactive case studies. These studies will be geared towards answering important questions such as: how does one determine the best treatment options, what are the outcomes from these decisions, and more.

### The expert panel includes:

**Edward Wolin MD:** *Co-Director, Carcinoid and Neuroendocrine Tumor Program  
Medical Oncologist*

**Run Yu MD, PhD:** *Co-Director, Carcinoid and Neuroendocrine Tumor Program  
Endocrinologist*

**Farin Amersi MD, FACS:** *Surgical Oncologist*

**Steven Colquhoun MD, FACS:** *Surgical Director, Liver Transplantation*

**Marc Friedman MD:** *Chief of Vascular & Interventional Radiology, Director of the  
Uterine Fibroid Embolization Program (UFE)*

**Simon Lo MD:** *Director, Pancreatic and Biliary Diseases Program; Director, GI Endoscopy*

**Nicholas Nissen MD:** *Assistant Surgical Director, Multi-Organ Transplant Program*

**Fe San Angel RN, ONC®:** *Oncology Nurse*

Each speaker will give a brief lecture with question & answer session which will be followed by the interactive case studies which will be moderated by Dr Edward Wolin with input from the expert panel and you!

*The afternoon will conclude with Music and Guided Meditation  
presented by Giovanna Imbesi and Vida Vierra.*
